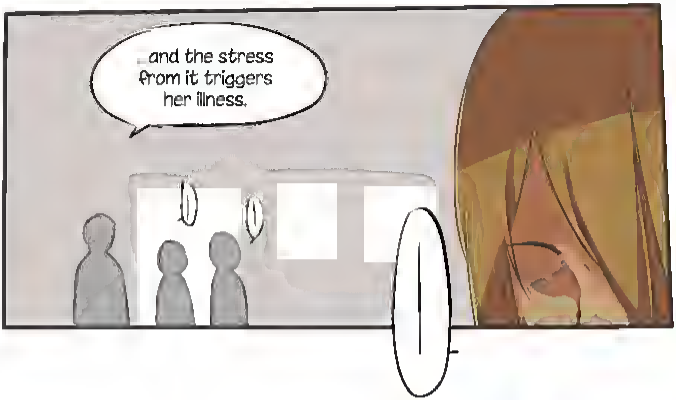
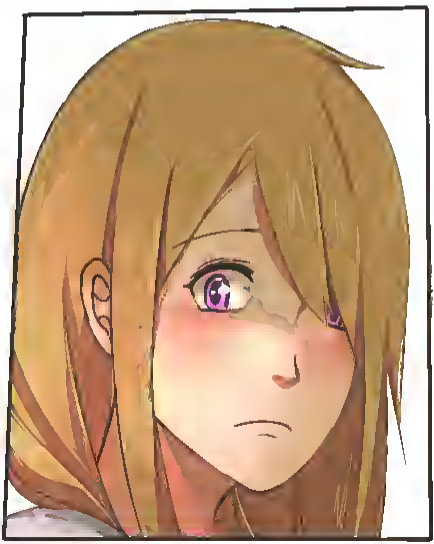
Yes That presumably is what her condition is like these days
It's getting *worse.*
What...
!
It seems like something's been bothering her mind.

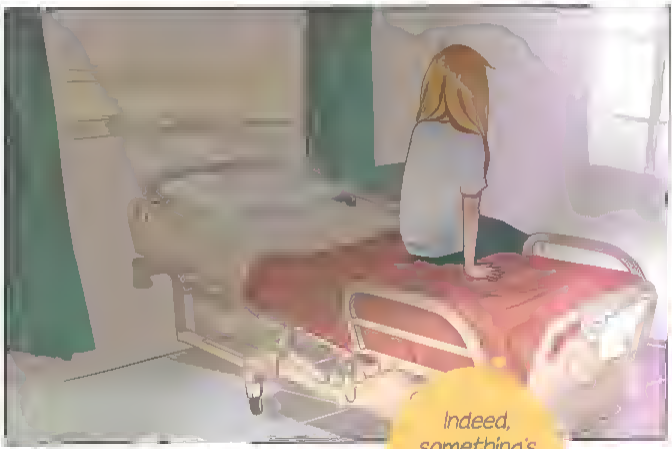


...and the stress from it triggers her illness.



Ugh...

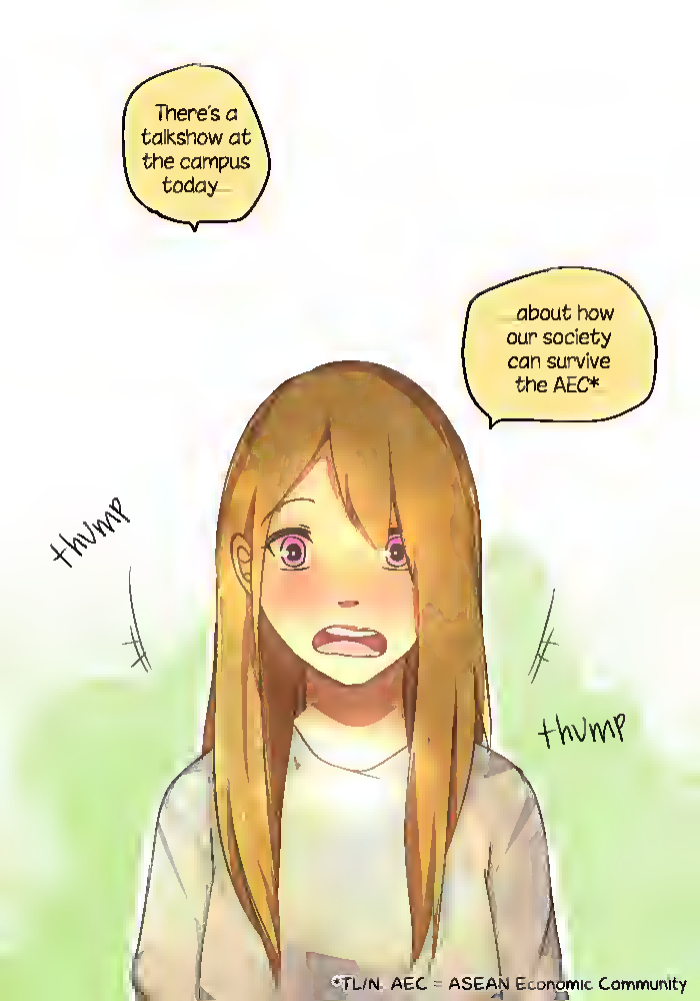
Yes.



Indeed, something's been in my mind since yesterday.

Uh...

Mom,
Dad,
Can I go to the campus today?
What? But you're still weak.
Exactly you need to rest
PLEASE.



*TL/N. AEC = ASEAN Economic Community

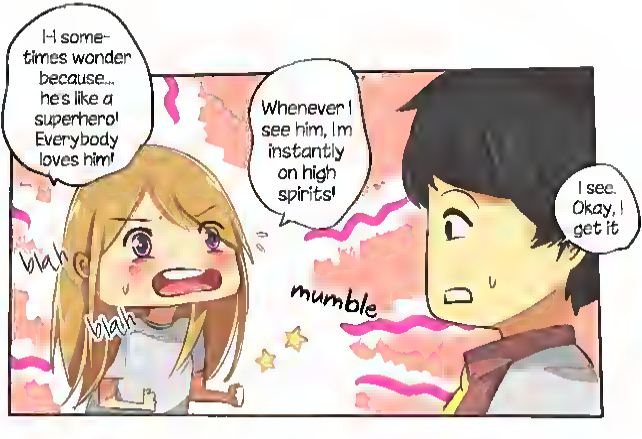
More importantly...
...the MC for that show is Barney!!!
STUTTER
panic
panic
Maybe seeing him would help make me feel better!!!

What?
So you're saying
grab

...you want to go just to see him?
SIGH
pat
pat
So, may I..?

Daddy doesn't know what to say so just ask Mommy
Huh? What? Why'd you pass that on to me?!
Why don't we ask the doctor instead?
What the-?!
And why me?
Points
Ugh...
Doc...
I can go, right?

Before anything, I'd like to know... This Barney you keep mentioning...
Step
Step
..is he like a "DAILY DOSE OF VITAMIN" to you, Elvira?
thump

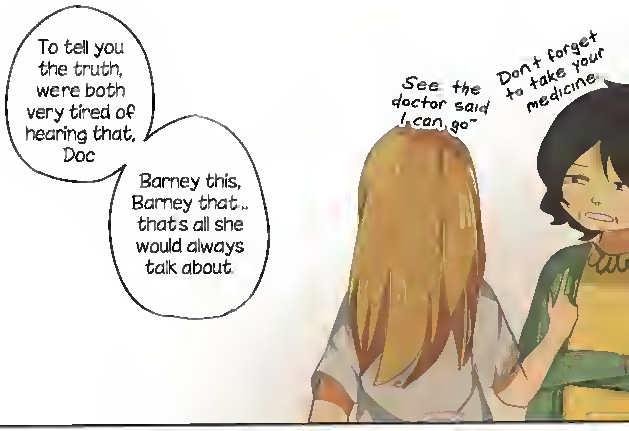


I-I sometimes wonder because... he's like a superhero! Everybody loves him!
blah
blah
Whenever I see him, I'm instantly on high spirits!
mumble
I see. Okay, I get it

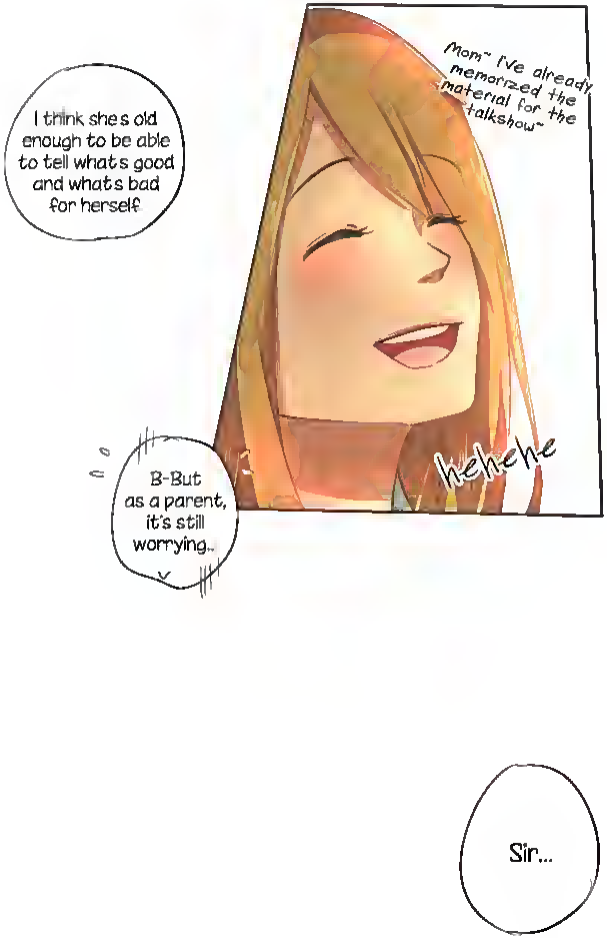
Wa-

Wait a moment

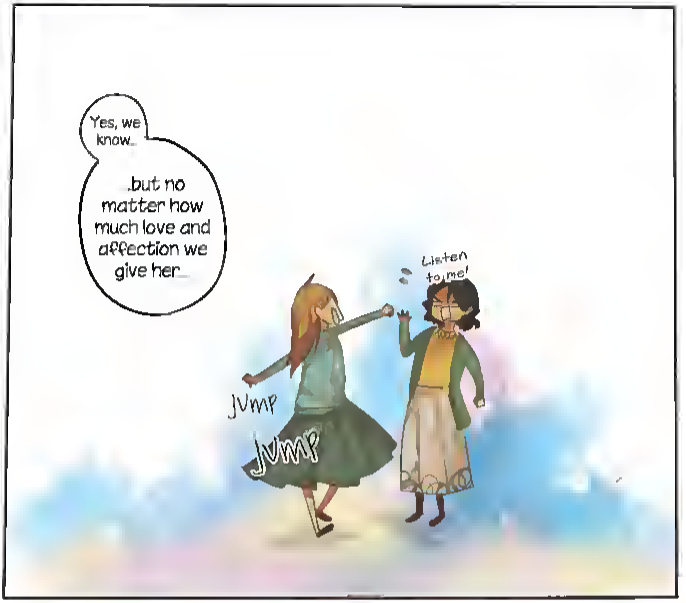
Why are you letting her go?! What if something bad happens?!
Didn't you say it was up to me?
GOV
GOV
panic
panic
But... Ah... just forget it!



To tell you the truth, were both very tired of hearing that, Doc
Barney this, Barney that.. thats all she would always talk about
See the doctor said I can go~
Don't forget to take your medicine



I think she's old enough to be able to tell what's good and what's bad for herself
Mom~ I've already memorized the material for the talkshow~
hehehe
B-But as a parent, it's still worrying..
Sir...



...it still won't cure her illness, right?

Please don't say that, sir. At the very least...

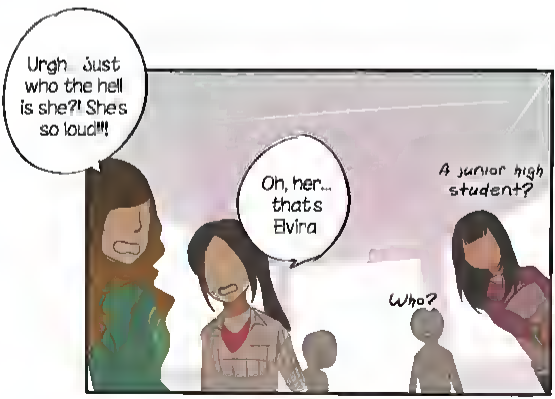
We can make her happy...
...Despite what she's going through right now.
We can take her mind off of her illness...

PING UNIVE

Step1
Step1

Gyaaa! Sorry I'm late!!! What happened in class today?!
huwaaa
We had a quiz. And those who were absent get a 10-point deduction!
Oh, and by the way, Where's your apprentice-ship form?
I forgot...
Submit it yourself!

HUWAAA!!!



Urgh... Just who the hell is she?! She's so loud!!!
Oh, her... that's Elvira
A junior high student?
Who?

Her name's Elvira.
She's a Third Year
Management Major...

I often see her playing TAG
along the corridors

ALL DAY LONG...

And she eats... A LOT!

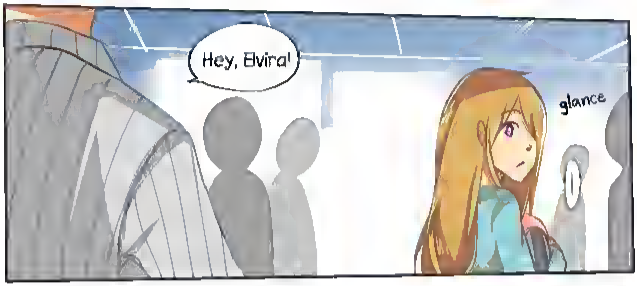
Meself, too.

Just like a kid!

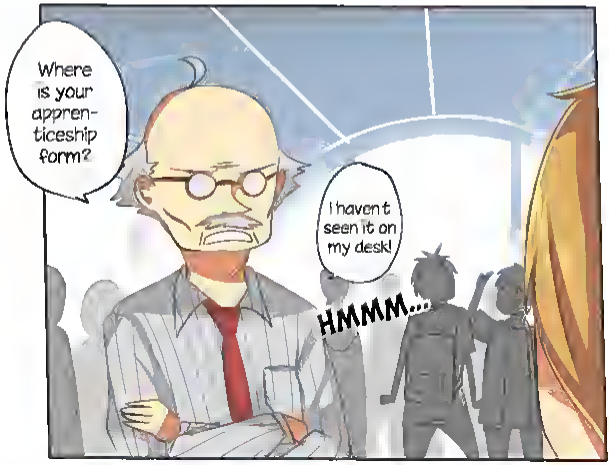
With an attitude like a Junior high student, it'll be impossible for her to do that!

No company would even consider hiring her.

bathump

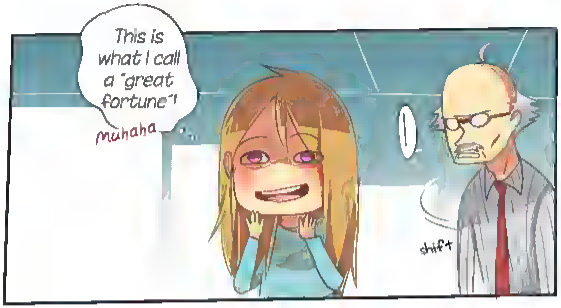


Hey, Elvira!
glance

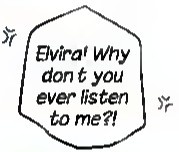


Where is your apprenticeship form?
I haven't seen it on my desk!
HMMM...

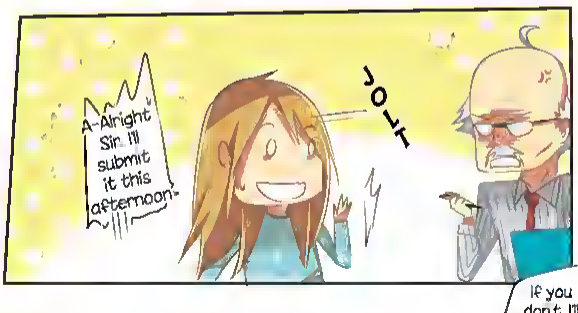
blah
blah
blah
Barney?!
UWaaaa...



This is what I call a "great fortune"!
muhaha
shift



Elvira! Why don't you ever listen to me?!



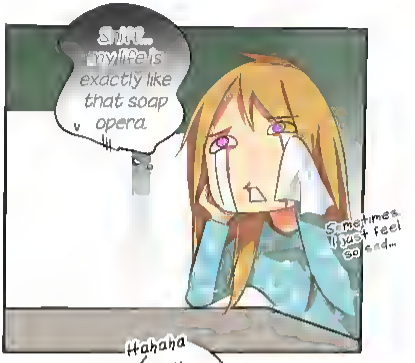
A-Alright Sir. I'll submit it this afternoon-
TOT
If you don't, I'll give you C minus... SQUARED!

I've loved him for over two years now...

I've always been watching him in secret.

Always trying to sit near him, so that he'd be able to recognize me...

But, until now, he's never even glanced my way...
He's my ray of light whenever I feel so hopeless...
...about my illness...

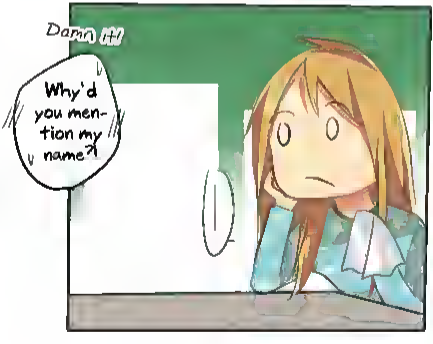


Hahaha ...then I asked, "But sir, how come Barney doesn't have to do the revisions?"

blah

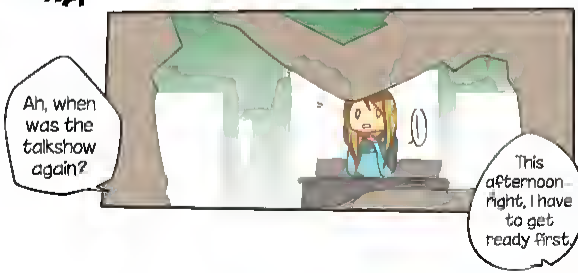
blah

blah



He sure is a jerk!
Hahaha so funny!
And then he said blah blah blah~
HAHA

HAHA



Ah, when was the talkshow again?
This afternoon- right, I have to get ready first.

That's right it'll start soon, I must sit at the front row...
